## Arkansas City Police Department investigating child's death

*Cause of death not yet known; autopsy scheduled for Wednesday*

ARKANSAS CITY, Kan. (August 18, 2015) — The Arkansas City Police Department is investigating the death of a 16-month-old child Tuesday at MeadowWalk Apartments, 925 W. Skyline Road.

The cause of death has not been determined at this time. An autopsy is scheduled to be performed Wednesday.

Police were dispatched about 1:55 p.m. Tuesday to an apartment for a medical emergency involving the child. When they arrived, they found the child deceased.

Investigators are conducting a search of the home and interviewing the residents.

This is an ongoing investigation and the Arkansas City Police Department has no further details to release at this time.
