Drug Task Force executes search warrant, makes drug arrest

Anstine booked on suspicion of marijuana, methamphetamine thanks to tip

ARKANSAS CITY, Kan. (October 5, 2015) — An Arkansas City man was arrested Wednesday after the Arkansas City Police Department and Cowley County Drug Task Force executed a search warrant.

Terry Lee Anstine, 51, was arrested on suspicion of possession of drug-use paraphernalia, possession of marijuana and possession of methamphetamine. He was transported to and booked into the Cowley County Jail in lieu of \$7,000 bond through Cowley County District Court in Arkansas City.

Anstine since has posted bond and been released.

Arkansas City police received a drug tip on Aug. 12 from the "Citizen Observer" anonymous tip program regarding possible drug trafficking at 415 W. Chestnut Ave.

The Drug Task Force subsequently began an investigation that eventually collected evidence establishing enough probable cause to apply for a search warrant for the premises.

The search warrant was granted Sept. 28 and served Wednesday at the residence. Drugs and drug-use paraphernalia were found, and Anstine was arrested in connection and taken into custody.

A defendant's guilt or innocence is to be determined by a court of law.
