Outdoor Family Movie Series to resume June 7 at Wilson Park

'Thor: Ragnarok' planned after concert; two more films shown within 2 weeks

ARKANSAS CITY, Kan. (June 4, 2018) — The 2018 Outdoor Family Movie Series will resume Thursday night in Arkansas City with a Marvel movie under the Wilson Park rotunda, 701 N. Summit St.

The 2017 hit "Thor: Ragnarok," sponsored by United Agency, will be shown starting around 8 p.m. Thursday. The PG-13-rated film is approximately two hours and 10 minutes long.

The movie will begin shortly after the Ark City Community Band concert ends. It is scheduled to start at 7:30 p.m. under the rotunda. These concerts generally are between 30 minutes and an hour long.

This will be the band's first concert under the rotunda this year, after it opened its 147th season last week during the Fifth Thursday event downtown. Concerts repeat every Thursday night through July 5.

"Thor: Ragnarok" will be the fourth film in the Marvel Cinematic Universe to be shown at the park as part of this outdoor series, preceded by "Doctor Strange," "Guardians of the Galaxy" and "Guardians of the Galaxy Vol. 2," all of which were shown in 2017.

At least seven more movies are planned this year, including another recent Marvel Cinematic Universe hit and a "three-quel" to the last two years' super-popular showings of "Finding Nemo" and "Finding Dory" at Paris Park Pool. (More pool event details will be announced at a later time.)

This will be the second of three films to be shown locally in the next two weeks, and the second of four in the region. The movie series will return at 8:30 p.m. June 15 with another special outreach night in Newkirk, Oklahoma, with a replay of "Despicable Me 3" planned in conjunction with community events.

Next week, there also will be a special showing of "Jumanji: Welcome to the Jungle" on June 12, immediately following the Arkansas City Farm and Art Market's special monthly market event.

"We are so appreciative of the generous sponsors who make these wonderful events possible," said City Manager Nick Hernandez. "If you are interested in being a sponsor this year, please call myself or

About the Outdoor Family Movie Series

The 2015 Outdoor Summer Movie Series was a huge success in the debut season for the new V.J. Wilkins Memorial Stage at the rotunda, with particularly large crowds viewing "Big Hero 6" and "Frozen."

The projection equipment, sound system and stage all were made possible by a grant received three years ago from the V.J. Wilkins Memorial Foundation, in order to promote arts throughout the city.

A special fall showing of "Inside Out" drew more than 300 people to the rotunda in November 2015, despite colder temperatures. Plans were launched then for more autumn showings in 2016 and 2017.

Various weather impacted attendance often in the spring and summer of 2016, but the season's highlight undoubtedly was in June 2016, when more than 700 people packed Paris Park Pool for a special doubleheader, consisting of "Finding Nemo" and "Jaws," during a free swim-in night at the pool.

The sequel event, featuring "Finding Dory," drew more than 500 visitors to the pool on July 21, 2017.

The 2018 season kicked off May 5 with the first-ever Saturday night movie, "Coco," which drew more than 150 people back to the rotunda following the inaugural Cinco de Mayo Salsa Fest event.

During the last three years, the City of Arkansas City has shown a wide variety of movies, including:
